~Sanctity of Human Life Sunday~

Today, we recognize the 29th Sanctity of Human Life Sunday. This is a day for all Americans to focus on the value of each and every human life. It’s celebrated every year on the Sunday closest to the anniversary of the 1973 U.S. Supreme Court decisions *Roe v. Wade* and *Doe v. Bolton*, which legalized abortion in every state for any reason through all nine months of pregnancy. President Ronald Reagan issued a proclamation creating the first National Sanctity of Human Life Day back in 1984, and it included these words:

*"We have been given the precious gift of human life, made more precious still by our births in or pilgrimages to a land of freedom. It is fitting, then, on the anniversary of the Supreme Court decision in *Roe v. Wade* that struck down State anti-abortion laws, that we reflect anew on these blessings, and on our corresponding responsibility to guard with care the lives and freedoms of even the weakest of our fellow human beings."*
